

## God is with us!

In this Sunday's first reading the prophet Isaiah tells Ahaz, the king of Judah, that "therefore, the Lord himself will give you a sign. Look, the young woman is with child and bears a son and shall name him Emmanuel."

Friends, in a few short days we will celebrate with great joy that a young woman, Mary a Virgin, who was with child more than 2,000 years ago, bore a Son, Jesus who is Emmanuel or God is with us incarnate. God has indeed sent us a sign. And what a sign God sent! God sent His only Son, Jesus, the living sign that God is with us.

In a few days we will celebrate again the greatest miracle that you or I will ever experience. We will celebrate that Jesus the Christ, the Son of the living God, became flesh in completion of the promise God made in the Prophets. Jesus, the Word of God, took on our humanity so that we may share in his Divinity. What an incredible gift! God fulfilled God's promise by living among us as one of us, so that we may be touched by and may touch the Divine.

We all celebrate Christmas in a different way. Some of us gather in our homes packed with families, relatives and friends, wearing silly hats, singing and dancing and enjoying the Christmas lunch. Some of us gather in parks or beaches with prawns and salads. Some of us gather with others who have no-one to celebrate Christmas with and together touch the Divine by being with each other.

Whatever way you plan to celebrate the great miracle, which is Christmas, please take some time to remember the young virgin who brought the Divine into our world. Please take some time to remember the promise made by God through the prophets, fulfilled in the birth of Jesus. Please take some time to remember that the reason for this season is that Child Jesus, Emmanuel, God is with us! Please make Christmas happen at least to one person aside from yourself, then you have become a living "Emmanuel."

As you celebrate Christmas this year, may the Divine, the Word made flesh, touch you and may you share that touch with one another.

Fr Thomas

## Did you know?

Pope Francis emphasises that *deterioration in the human community and in the natural environment* go hand in hand. When water runs short, the poor who depend on bottled water cannot afford it. When the seas are ruined, coastal fishing villages suffer. And these poor are the *majority* of the population on earth.

**What are my feelings as I read about the impact of environmental damage on the poorest people on earth?**
